

Jefferson Middle School

Exposure to Excellence Promotes Excellence

History

Jefferson Middle School was formed in 1975 and previously shared a campus with Jefferson High School. In January 2002, Jefferson Middle School moved into the current building. Jefferson Middle School is one of four schools in the Jefferson City School System and is the only middle school. The school is located in Jackson County approximately 60 miles north of Atlanta and 30 miles northwest of Athens, Georgia.

College & Career Ready Performance Index

CCRPI Overall Score 88.6

- **Achievement Score:** 40.8 out of 50 - comprised of content mastery, post middle school readiness, and predictor for high school graduation
