Monitor your child's lunch account for **FREE** online at www.k12paymentcenter.com. To register, you will need your child's district student number, not their 3-4 digit serving number. You can find this number by logging into the Parent Portal. The student number is located next to your child's picture on the homepage. Once you have created an account on K12 Payment Center you can view balances, view meal histories, receive low balance notifications, and you can make payments. There is a \$1.95 fee per transaction.
