School Day

The school day for each of the four schools in the Jefferson City School System is as follows:

Jefferson Elementary	7:40 A.M.-2:30 P.M.
Jefferson Academy	7:30 A.M.-2:45 P.M.
Jefferson Middle School	7:50 A.M.-3:05 P.M.
Jefferson High School	7:50 A.M.-2:55 P.M.

Arrival

Early morning supervision for JMS students will be provided in the gymnasium beginning at 7:00 A.M. Students may enter the building through the front doors of the gym or through the main entrance of the school. Students must report directly to the gym upon their arrival.

Any student who wishes to eat breakfast will be escorted to the cafeteria at 7:25. All other students will remain in the gym until 7:30. At 7:30, students will report directly to their homeroom.

The school day will begin promptly at 7:50; however, students are to be in their homeroom class for video announcements at 7:45.

Dismissal

Students will be dismissed from school at 3:05 P.M. Students riding the bus will report directly to the back of the school. Walkers may leave after the bell rings, and car riders must report to the back of the school or the cafeteria to wait on their ride to arrive.

All students, except those participating in extracurricular activities or tutorial sessions should be out of the building by 3:20 P.M.

Any student still present in the building after 3:20 will be asked to report to the cafeteria where silent reading or homework will be required. There will be no supervision provided by the staff at JMS after 4:00 P.M. each day.

ENROLLMENT AND WITHDRAWAL

Compulsory Attendance Ages – Policy JBA

Every parent, guardian or other person residing in Georgia is required either to enroll and send children in their care and charge between the ages six (6) and 16 to a public or private school or to provide a home study program for these children who meet the requirements set forth in law, unless the child is specifically exempt. The Board of Education is required by law to assure that all children between the ages of six (6) and 16 enrolled in public schools in the district are attending same unless they are enrolled in a private school or home study program.

All children enrolled for 20 school days or more prior to their sixth birthday shall become subject to all the provisions of State law and the rules and regulations of the State Board of Education relating to compulsory school attendance even though they have not attained six years of age. For more information concerning Compulsory Attendance Ages (JBA) and Entrance Age (JBB), refer to the Jefferson City Schools' Board Policies.

Admission Requirements – Policies JBC(3), JBCD, and JGCB

The parent or guardian, or other person, must provide the following documents when enrolling a student in the Jefferson City School System:

1. A certified copy of the enrolling student's birth certificate;
2. An updated certificate of immunization (DHR form 3231), from a licensed physician (O.C.G.A. 20-2-771);
3. A copy of the student's official social security card or a signed form stating the individual does not wish to provide the social security number (O.C.G.A. 20-2-150).
Please note: No student shall be denied enrollment in Jefferson City Schools for declining to provide his/her social security number or for declining to apply for such a number – JCS Policy JBC(3);
4. Proof of residency document (utility bill: electrical or water in the name of the parent/guardian with whom the student resides);
5. Withdrawal form and academic records from the last school attended.

Please note:

- In instances where a student does not reside with a legal parent/guardian, the person enrolling the child must obtain and complete a "Non-Parental Affidavit of Residence" form to be kept on file in the student's permanent record. Parents of any student(s) transferring to Jefferson City Schools from another school system will be required to sign a Request for Records Form to submit to the student's former school.
- Parents of twins or other multiples may request same classroom placement if in the same grade level, at the same school, and if the students meet class eligibility requirements. However, the request must come no later than five days before the first day of school. Students new to the Jefferson City School System who register after the school year begins must make the request within the first five days of enrollment.

Student Inoculation – Policy JGCB

No child shall be admitted to Jefferson City Schools unless such child has been immunized against contagious diseases as defined by the state board of health. Parents must furnish school personnel with a certificate from a licensed physician acknowledging that the child has been immunized. Failure to provide a birth certificate and the listed health documents could result in the student's removal from school.

Non-resident Students – Policy JBCB

The Jefferson City Board of Education appreciates the positive contributions non-resident students have made, and will continue to make to the overall success of the system. The Board desires to continue enrolling out-of-district students in a fashion that will facilitate a quality instructional program for all its students.

At present, Jefferson Elementary School and Jefferson Academy meet the enrollment requirements for a based-sized school. However, Jefferson Middle School and Jefferson High School do not meet enrollment requirements. Thus, non-resident students enrolled in a Jefferson City School that meets the requirement for a based-sized school as defined by the Georgia Department of Education are required to pay tuition as determined annually by the Jefferson City Board of Education. Annual tuition is due upon acceptance and prior to the beginning of school each year.

Please note:

- Transportation for non-resident students will be the responsibility of the parent(s)/ legal guardian(s).
- When a student's parent(s)/ legal guardian(s) relocate from a City of Jefferson address to an out-of-district residency, that student must comply with Policy JBCB once non-residency has been established. It is the responsibility of the parent(s)/ legal guardian(s) to immediately complete an application for admission of a non-resident student(s) and contract of agreement. Failure to do so in a timely manner may result in your child being removed from the school roll.
- Non-resident students may be removed from the Jefferson City School System for any of the following reasons:
 1. Unacceptable behavior;
 2. Unacceptable attendance;
 3. Lack of effort and/or poor academic performance;
 4. Falsification and/or misrepresentation of information during application process; and
 5. Other good and sufficient cause.

Withdrawal of Students

Please notify the school registrar and appropriate teacher(s) prior to withdrawing your student(s). All textbooks/library books must be returned and any outstanding account(s) must be settled. These include, but are not limited to, outstanding cafeteria charges, replacement costs for lost textbook(s), uniform(s), and/or library book(s).

Once the student enrolls in a new school, personnel from that school will send Jefferson Middle School a signed "Request for Records" form, which will enable JMS personnel to release school records. Any student withdrawing from the school system to enter a home study program must meet the requirements outlined in Jefferson City Schools' Policy JBC (2).

ATTENDANCE INFORMATION

Notification of Provisions of Georgia's "Compulsory Student Attendance Law" O.C.G.A. 20-2-690.1

The Jefferson City Board of Education and the State of Georgia believe that regular attendance at school is important to a child's academic success. The law requires that all children between their sixth and sixteenth birthdays be enrolled in and regularly attend an approved educational program.

According to State Board of Education Rule 160-5-1-.10, Student Attendance, a student is considered truant when he/she is subject to the compulsory attendance law and has accumulated more than five (5) unexcused absences during the school year. The

responsibility for assuring compliance with the compulsory law resides with parents, guardians, and other persons having control or charge of school age children.

Failure to comply with the law is a misdemeanor punishable by a fine not less than \$25.00 and not greater than \$100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties. Each unexcused absence after five (5) for the year is a separate criminal offense, and the penalties described above will apply independently to each such offense.

In accordance with O.C.G.A. 40-5-22, a student between the ages of 14 and 17 who has more than 10 school days of unexcused absences in any semester or combination of two consecutive quarters will be subject to denial or suspension of his/her instruction permit or driver's license.

(In accordance with 20-2-690.1, any student, age 10 or older as of September 1, must sign acknowledging receipt of information related to student attendance. This form should be completed during the registration process.)

School Year – Policies AE and JBD

The Jefferson City Board of Education believes that maximum learning occurs only when students attend class regularly. Research and experience have shown that students with good attendance records are more likely to have higher grades, present fewer discipline problems, have a more positive attitude toward school and learning, and form good habits.

The annual school calendar allows for 180 days of instruction. We encourage students to be in school and to be on time. Students who leave school before 11:30 A.M. or arrive after 11:30 A.M. will be considered absent for that school day.

Attendance Rules and Procedures

Prompt and regular attendance has a direct effect on student achievement. Please be aware that there are many complications for students who arrive late to their classroom. These students lose the opportunity to get organized prior to instruction which makes for a stressful start to the day. Furthermore, students who are tardy miss valuable initial instruction. A late entry also interrupts the instructional focus of other students. Please make every effort to be punctual to all classes on a daily basis.

Excuses

Students who are absent all day or part of the day must report to the front office upon returning to school the day following the absence. Please remember that students who leave school before 11:30 A.M. or arrive after 11:30 A.M. will be considered absent for that school day. Parents and/or students must bring a signed note from a parent, guardian, doctor, or governmental agency in order for the absence to be excused.

On the school day following the absence, a parent/legal guardian must send a note including the following information:

1. The student's name;
2. The date(s) of the absence(s);
3. The specific reason for the absence; and
4. Parent, guardian, doctor, or governmental agency signature.

This note should be presented to the front office prior to the beginning of the school day.

Following an absence or absences:

- Students will have five (5) school days to bring in the necessary documentation to have the absence excused.
- In instances when no excuse is provided within five (5) school days, such absences can be unexcused.
- It is the responsibility of the student to ensure that all of his/her teachers have read the excuse provided by the front office.

This absence will be classified “excused” only if covered by one of the following areas as defined by Georgia Law:

1. Personal illness or attendance in school that endangers the student’s health or the health of others;
2. Death or serious illness in the immediate family;
3. Student under orders of a Governmental Agency (armed forces exam, court appearance, etc.);
4. Recognized religious holidays;
5. Conditions rendering school attendance impossible or hazardous to students’ safety or health;
6. A period of absence not to exceed one day will be allowed for registering to vote or voting in a public election; and/or
7. A student whose parent is in military service in the armed forces of the United States or the National Guard, and such parent has been called to duty or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences up to a maximum of five (5) school days per school year to visit with his/her parent prior to such parent’s deployment or during such parent’s leave.

Students who are serving as pages of the Georgia General Assembly shall be counted present.

The above criteria for excusing absences will be applied to all-day/part-day absences, tardies to school, and early dismissal from school.

Pre-Approved Absences

Consideration for pre-arranged absences should be submitted five (5) school days prior to the expected absence(s). All requests should be submitted in writing on a Pre-Approved Absence Form that can be obtained from the front office or the JMS website. Current and past attendance history including the student’s number of tardies and early checkouts, the duration of the absence, and other factors will be considered in the decision making process.

Please note: Any tests or exams taken during the pre-approved absences must be administered upon the student’s return to school.

Attendance Procedures

Attendance will be tracked throughout the school year. The following procedures will be among those used to build a greater awareness of accumulating absences: periodic calls and/or visits made by the student’s teacher, attendance committee members, assistant principal, and/or the Jefferson City Schools’ visiting teacher.

A student shall be considered truant when he/she is subject to the compulsory attendance law and has accumulated more than five (5) days of unexcused absences during the school year. The following progression of steps will be followed in response to student absences:

1. First-class letter after three (3) unexcused absences;
2. Certified letter from Jefferson City Schools’ visiting teacher for five (5) unexcused absences after two (2) reasonable attempts to contact the student’s parent/guardian;
3. Attendance conference with Jefferson City Schools’ visiting teacher and attendance committee member(s) at seven (7) absences, excused and/or unexcused;
4. Referral to the Jackson County Student Attendance Review Board or, if the circumstances warrant, directly to the court(s) after seven (7) unexcused absences.
5. Attendance conference with Jefferson City Schools’ visiting teacher and attendance committee member(s) may be held for excessive excused absences, tardies, and/or early checkouts.

Please note: All absences become part of the student's permanent record. Students enrolled in Jefferson Elementary, Jefferson Academy, or Jefferson Middle School who are not in attendance a minimum of 166 days of the 180 day school year will be considered for retention. Please refer to JCS Policy JBD for additional information.

Our school calendar allows many opportunities for long weekend outings and extended vacations throughout the school year: Labor Day weekend, Fall Break in October, Thanksgiving Holidays, Winter Holidays, MLK Holiday in January, Mid-Winter Holidays in February, Spring Holidays, and Summer Break. Please review the school calendar that will be provided during Open House and plan accordingly in support of regular attendance.

Assignments Missed When Absent

It is the student's responsibility to meet with his/her teacher(s) upon returning to class from an absence to discuss make-up work. Failure to do so may result in zeros being assigned for the missed work.

After a student is absent for three consecutive school days, contact may be made with the front office for assistance in obtaining any make-up work or missed assignments.

Punctuality

Punctuality is a vital skill that is highly promoted at Jefferson Middle School. It is essential to every student's present and future success. Students should be in their first period classroom no later than 7:50 each morning. Students entering the classroom after 7:50 will be marked tardy.

Students who are late arriving to school must report to the front office to sign-in and obtain an "admission to class" slip. Students will not be allowed to enter their first period class without an "admission to class" slip.

Each academic team will set consequences for excused and unexcused tardies. Tardies will be tracked throughout the school year. Consequences may include, but are not limited to, the following: break detention, silent lunch, service-after-school, parent conferences, and/or in-school suspension.

The following provisions will be among those used to reduce tardies: telephone calls; first-class letters; certified letters; referral to the Attendance Committee and/or the Jefferson City Schools' visiting teacher.

Early Check Outs

Please avoid early checkouts except when absolutely necessary. Students leaving before the end of the day miss valuable instructional delivery. We respectfully request that early checkouts be reserved for emergencies and/or medical/dental appointments that cannot be scheduled during after-school hours or on school holidays. Whenever a student is called from the classroom for early pick-up, instruction is interrupted for all students. Please help us provide your child every advantage for success in school by supporting our efforts.

Any student needing to leave campus during the school day must check out in the middle school office prior to leaving school. Parents are encouraged to check out students only between class periods.

Contact with a parent/guardian will be required before a student is released. Students leaving without formally checking out through the front office are considered truant and in violation of the student attendance policy. If a student becomes ill during the school day, he/she must notify a school official.

Students are not allowed to leave the school campus prior to dismissal without the permission of a parent, guardian, or other person (as defined by O.C.G.A. 20-2-690.1). If it is absolutely necessary that a student leave before dismissal, the parent, guardian, or other person (as defined by O.C.G.A. 20-2-690.1) must come to the front office to complete the sign-out process. Students will only be allowed to leave with adults who have been authorized to check out an individual student. Please be prepared to provide personal

identification if requested. Checkouts will be denied to those individuals not listed on the student's pick-up information form completed during the registration process.

If a student is planning to be checked out of school, he/she should take his/her note to the middle school office at the start of the school day. Notes should include the following:

1. The student's name;
2. The date and time the student is to leave campus;
3. The specific reason for the check-out; and
4. Parent/guardian signature.

If a student is planning to be checked out of school by someone other than his/her parent, then the note should include with whom the student will be leaving. This person must be listed on the student's pick-up information form. It is the student's responsibility to ensure the middle school office receives the check-out note.

Early checkouts will be tracked throughout the school year. The following procedures will be among those used to reduce early checkouts: telephone calls; first-class letters; certified letters; referral to the Attendance Committee and/or the Jefferson City Schools' visiting teachers.

Notification of a student's change in transportation should be made prior to 1:00 P.M. to avoid a breakdown of communication and to avoid jeopardizing the safety of students.

English to Speakers of Other Languages (ESOL)

English to Speakers of Other Languages (ESOL) is a state funded instructional program for eligible English Language Learners (ELL) in grades K-12. The program is designed to provide instructional support to eligible students within a standards based curriculum, which emphasizes language proficiency.

Gifted Program – Policy IDDD

A gifted student is a student who 1) demonstrates a high degree of intellectual and/or creative abilities, exhibits an exceptionally high degree of motivation, and/or excels in specific academic fields, and 2) who needs special instruction and/or ancillary services to achieve at levels commensurate with his/her abilities.

Initial Eligibility for Testing Consideration:

- To be eligible for gifted education services, a student must either:
 - Score at the 99th percentile (for grades K-2) or the 96th percentile (for grades 3-12) on the composite or full scale score of a standardized test of mental ability and meet one of the achievement criteria described in State Board Rule 160-4-2-38.
 - Qualify through a multiple-criteria assessment process by meeting the criteria in any three of the following four areas: mental ability (intelligence), achievement, creativity, and motivation.
- To be eligible for gifted services, a student must meet the criterion score on a nationally-normed test and either has observational data collected on his/her performance or produce a superior product as outlined in State Board of Educational Rule 160-4-2.38. Information shall be collected in each of the four data categories for all students referred for gifted program evaluation. Any data used in one area to establish a student's eligibility shall not be used in any other data category.
- Any test score used to establish eligibility shall be current within two-calendar years.

The testing window for 2010-2011 is as follows:

- New JCS Students: End of August through the month of September
- Returning JCS Students: January – February
- All referred students must be submitted and approved by the Gifted Eligibility Committee before testing will occur.

For additional information, refer to State Board of Education Rule 160-4-2-.38.

Homebound Instructional Programs – Policy IDDC

Jefferson City Schools will provide hospital/homebound instruction to students, including students with disabilities, who meet the following eligibility requirements:

1. Receipt of a medical form stating that the student will be absent a minimum of ten (10) consecutive school days; or, that the student has a chronic health condition causing him/her to be absent for intermittent times during the school year.
2. A statement that the student is physically unable to participate in instruction; and
3. A signature of a physician licensed by the appropriate state agency or board.

For additional information, refer to the Jefferson City Schools' Board Policy IDDC.

Once the referral form is completed and returned to the school system, a certified teacher will pick up the student's assignments from the school and schedule a time to work with the student. When students are served in the hospital/homebound program, they will be counted as present, just as if they were at school. Parents/guardians who would like for their child to be served by this program should contact the school for a referral as soon as the student's illness is diagnosed.

Learning Lab

JMS will offer free tutorial services to be held throughout the school year from 7:10 A.M. to 7:40 A.M. on Tuesday and Thursday of each week. Migrant Education

The Migrant Education Program (MEP) is a national program that provides supplemental education services to migrant children in the United States. The MEP is designed to support high-quality and comprehensive educational programs for migratory children to help reduce the educational disruptions and other problems that result from repeated moves. These programs are always supplemental in nature, and can be academic and/or social in focus.

Sex Education – Policy IDBA

Sex education and AIDS education are part of the comprehensive health program taught in Jefferson City Schools. Prior to the parent(s)/legal guardian(s) making a choice to allow his/her child or ward to take the specified unit of instruction, he/she shall be told what instruction is to be provided and shall have the opportunity to review all instructional materials to be used, print and non-print. Any parent(s)/ legal guardian(s) of a child to whom a course of study in sex education is to be taught shall have the right to elect, in writing, that such child not receive such course of study.

Special Education – Policy IDDF

Within the Jefferson City School System's provisions, children who exhibit exceptionalities within the program guidelines shall have their needs met by various individual special education programs. These programs may include, but are not limited to, behavior disorders, communicative disorders, mental retardation, specific learning disabilities, visually handicapped, and other health impairments. These programs shall be conducted under the guidelines of State policy, as outlined in State regulations IDDD and IDDF, and in compliance with State and Federal laws relating to the education of exceptional children.

Prior to a referral to Special Education Programs, the Jefferson City School System has implemented a Pyramid of Intervention (POI) program in support of improving student achievement for all learners. The Student Support Team (SST) process is included in one of the final tiers of this intervention pyramid. The SST process is a combined effort of system personnel to address the individual needs of students at the school level. Parents are invited to attend all POI meetings. The POI team may refer students for additional academic screening and possibly a full psychological assessment. The results of the psychological assessment will determine eligibility for special educational services. For more information regarding the Pyramid of Interventions and refer to Jefferson City Schools' Policy IGB.

Title I Program

The Title I Program at Jefferson Academy and Jefferson Middle School is a federally funded, supplemental program which is designed to ensure that all eligible students have an opportunity to obtain a high quality education and to achieve proficiency on high academic standards.

Student Eligibility as determined by Multiple Selection Criteria

The Title I Targeted Assistance Program for grades three - eight at Jefferson Academy and Jefferson Middle School is based on multiple criteria that may include, but are not limited to, the annual State CRCT test scores.

Parent Involvement in Education (Board Policy LEBA)

Parent involvement is an important component in a student's success in school. The board encourages parents to become involved in their child's education to ensure the child's academic success. The board will:

- 1) involve parents in the development of the Title I plan, the process for school review of the plan and the process for improvement.
- 2) provide the coordination, technical assistance and other support necessary to assist participating schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance;
- 3) build the schools' and parents' capacity for strong parent involvement;
- 4) coordinate and integrate parent involvement strategies under Title I with other programs, including those listed under 20 U.S.C. 6318(a)(2)(D).
- 5) conduct with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the school served including identifying barriers to greater participation by parents in Title I activities (with particular attention to low-income parents, Limited English Proficient (LEP) parents, minorities, parents with disabilities and parents with low literacy) and use the findings of the evaluation to design strategies for more effective parental involvement and to revise, as necessary, the parental involvement policies; and
- 6) involve parents in Title I activities.

The board will review this policy annually. The superintendent is responsible for notifying parents of this policy annually or within a reasonable time after it has been amended during the school year. It is the responsibility of the superintendent to develop administrative regulations regarding the policy.

Examples:

- Each school year, stakeholders will have the opportunity to review and sign the school compact as a pledge of student support.
- Additional parent involvement opportunities are outlined on page 28 in this handbook. Each year parents will have the opportunity to indicate areas of interest on a Parent Involvement Survey.
- For parent ease and accessibility, a parent resource center is provided in the Jefferson Academy and Jefferson Middle School media centers. Resources may be checked out by parents, guardians, or other persons anytime during the school day.

- School committees, content surveys, and parent conferences provide parents with avenues for input and evaluation.

GRADING POLICIES

Communication of Progress – Policy IHA

Teacher-parent communication is essential to optimizing the learning process for students. Parents will receive progress reports every four and a half weeks and report cards quarterly to provide a summary of progress for each successive nine-week period. Progress reports and report cards will be distributed according to the information given in the School Calendar during Open House.

Parents and students may also access student grades daily using Parent Portal through Infinite Campus. Please make sure you establish an account so that both you and your child can closely monitor your student's academic performance. For additional information on grades and Parent Portal, please contact the school registrar.

Progress reports may also be emailed after written permission is granted from the student's parent or guardian.

JMS Promotion and Retention Policy

In order to be promoted to the next grade, a student must pass four out of five subjects for the school year (based on final yearly averages). These subjects include Language Arts, Mathematics, Science, Social Studies, and Connection Courses (the four connection class averages are calculated to obtain a semester and final yearly connection course average).

However, students in grade eight may not be promoted to the ninth grade if they do not meet state and system expectations on the Georgia Criterion-Referenced Competency Tests (CRCT) in the areas of reading and mathematics.

When a student does not meet state expectations in the above content areas in grades three, five, and eight, then the following shall occur:

1. Within ten (10) calendar days, excluding weekends and holidays, of receipt of the Criterion-Referenced Competency Tests individual student scores, the school principal or designee shall notify, in writing, by first-class mail, the parent/guardian of the student regarding the following information:
 - The student's below-grade-level performance on the Criterion-Referenced Competency Tests;
 - The specific retest(s) to be given to the student and testing date(s); the opportunity for accelerated, differentiated, or additional instruction based on the student's performance on the CRCT; and
 - The possibility that the student might be retained at the same grade level for the next school year.
2. The student shall be given an opportunity for accelerated, differentiated, or additional instruction in the applicable subject(s) prior to the retesting opportunity; and
3. The student shall be retested with appropriate section(s) of the Criterion-Referenced Competency Test(s) or an alternative assessment instrument that is appropriate for the student's grade level as provided for by State Board of Education and the Jefferson City School Board.

When an eighth grade student fails to meet state and system expectations in the area of reading and/or math and does not meet expectations on a second opportunity to take the assessment, then the following shall occur:

1. The school principal or designee shall retain the student for the next school year, except as otherwise provided for in the system policy.
2. The school principal or designee shall notify, in writing, by first-class mail, the

parent/guardian of the student and the teacher(s) regarding the decision to retain the student.

- The notice will describe the option of the parent/guardian or teacher to appeal the decision to retain the student;
 - The notice shall describe the composition and functions of the placement committee; it shall describe the option of the parent/guardian, teacher(s), or principal to invite individuals who can provide information or facilitate understanding of the issues to be discussed to attend the placement committee decision.
 - The notice shall include the requirement that the decision to promote the student must be the unanimous decision of the placement committee, comprised of the parent/guardian, teacher(s), and principal or designee.
3. If the parent/guardian or teacher(s) appeal the decision to retain the student, then the school principal or designee shall establish a placement committee to consider the appeal.
- The placement committee shall be comprised of the principal or designee, the student's parent/guardian, and the teacher(s) of the subject(s) of the CRCT or the alternative assessment instrument on which the student failed to perform at grade level.

Please understand that in an instance where retention has been requested and granted by the school system, it is not guaranteed that the awarded retention will not impact High School eligibility for athletics or other extracurricular activities. If the decision to retain is challenged now or in the future, the Georgia High School Association will be forced to rule on eligibility.

The current rules set forth by the GHSA regarding retention and eligibility for 2010-2011 states the following: An eighth grade student retained for any reason may not participate as a Junior Varsity athlete at the high school level.

Furthermore, the current league that Jefferson Middle participates in does not allow participation in sanctioned activities by any student retained for any reason. Sanctioned sports include: **Basketball, Cross Country, Football, Golf, and Track**. Additional sports that are sanctioned by the league are subject to be included in the future.

Grading Procedures

Students in grades 6-8 are on a yearly grading system, with the final grades being calculated by averaging the two semester grades for each course. The number of yearly classes passed determines promotion and retention. Quarter exams (9 weeks) for grades 6-8 may be counted up to 15% of a student's quarterly grade. The remainder of the student's grade is based upon the teachers' grading of tests, quizzes, homework, projects, etc.

The following grading scale will be used:

A (90-100) B (80-89) C (73-79) D (70-72) F (0-69)

Academic Integrity

Discipline for students cheating on daily homework/academic work may be referred to the front office. Students who cheat on a major exam, test, paper, or class project will be referred to an administrator for further disciplinary action. Parents will be contacted, and academic grades as well as academic honors, exemption, etc. may be impacted.

ATHLETIC ACTIVITIES

Athletic Activities

Many students participate in the various Jefferson Middle School athletic programs offered throughout the year. These include cheerleading and competition cheerleading (fall and winter), cross-country (fall), football (7th and 8th grade-fall), softball (fall), volleyball (fall),

basketball (winter), wrestling (winter), baseball (spring), golf (spring), soccer (spring), and tennis (spring), and track (spring). Participation in athletics at Jefferson must be in accordance with the Georgia High School Association (GHSA) rules.

Based on local board policy, JMS is in full compliance with Georgia's "No Pass/No Play" policy. While 6th, 7th, and 8th grade students do not fall under the GHSA jurisdiction, the athletic department at JMS holds these athletes to the same rules and regulations. Students are not required to participate in any out-of-season programs, including summer, as a condition of school year participation. In order to be eligible, a student must do the following:

1. Be a regular student;
2. Pass four (4) out of five (5) subjects per semester;
3. Be an amateur;
4. Not attain the age of 15 prior to May 1 of the year preceding participation; and
5. Complete a medical examination and have insurance coverage.

ELIGIBILITY

Requirements for Participation

The number of classes passed per semester determines eligibility status. Students must pass four (4) out of five (5) classes (the average of the two connection classes) for the semester to be considered eligible for the upcoming semester's extracurricular activities. Once a student is declared ineligible, he/she will remain ineligible for the remainder of that semester.

Students must be present in school for at least half of the day in order to participate in extracurricular activities on that day. If students do not attend school for at least half of the day, they will not be eligible to participate in school practices, competitions, dances, and/or other school sponsored activities. During a period of suspension (either in- or out-of school suspension), the student is excluded from all school-sponsored activities, including practices, competitive events, and/or activities sponsored by the school or its employees.

Included in this section are prohibited behaviors and consequences for violations.

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. Georgia Weapons Law – Policy JCDAE

The presence of weapons on school property is detrimental to the welfare and safety of the students and school personnel, and is a violation of state law. No person shall carry, possess, or have under his/her control any weapon or explosive compound within a school safety zone, or in any school building, on school premises, at any school-sponsored function or activity, in any school vehicle or bus, or in a private vehicle parked on school property or on other public or private property in proximity to school property while attending school or a school-sponsored or school-related function. A school safety zone is defined as the area in or within 1,000 feet of any real property owned by or leased to any public elementary school, secondary school, or the Board of Education and used for elementary or secondary education. Any person violating this statute will be reported to the appropriate authorities for prosecution. Interrogations and Searches of Students – Policy JCAB

Interrogations

The principal of each school in the Jefferson City School System, or his/her authorized representative, possesses the authority to conduct reasonable interrogations of students in order to properly investigate and punish student misconduct.

Searches

The Jefferson City School System endeavors to provide a safe and secure environment for all students. The Board authorizes reasonable searches of students directed to that end by authorized school officials. Searches based on reasonable suspicion may proceed without

hindrance or delay, but they shall be conducted in a manner which insures that students are not arbitrarily stripped of personal privacy. The principal of each school in the Jefferson City School System, or his/her authorized representative, possesses the authority to conduct inspections of students' school lockers or articles carried upon their persons. Such searches shall be based on a reasonable suspicion of the presence of deleterious items. Examples of deleterious items shall include, but are not limited to, secreted noise-makers, water guns, contraband drugs, a handgun, or other dangerous weapons.

Principals of each school where lockers are issued shall insure that at the time lockers are made available to students, it is clearly specified in writing that lockers are subject to inspection and search by school officials. Each school shall maintain duplicate keys or records of all locker combinations, and avoid any practices which lead students to believe that lockers are under their exclusive control.

In the event that a search of a student's person, his/her personal possessions, or his/her locker reveals the student is concealing material, the possession of which is prohibited by federal, state or local law, local law enforcement authorities shall be notified so that they may take appropriate action.

Probationary Status – Policy JDC

Probationary status will be assigned to any student who repeatedly violates school regulations to such a degree as to cause the administration to deem it necessary. Students being placed on probation will be given the standard of conduct to be maintained during probation, the length of probation, and the discipline to be administered if the standards of conduct are not maintained (Student Behavioral Contract). The parent(s)/legal guardian(s) of the student will receive written notification.

Sexual Harassment – Policy JCAC

It is the policy of the Jefferson City Board of Education to maintain a learning environment that is free from sexual harassment. It shall be a violation of this policy for any student to harass another student or any employee through conduct or communications of a sexual nature as defined below.

For more information about Sexual Harassment please refer to Jefferson City Schools' Policy JCAC.

Student Alcohol and Drug Use – Policies JCDAB and JCDAC

In accordance with Georgia Law, it shall be illegal to possess alcohol at any Jefferson City School. is being used by any school group; 3) off the school grounds at a school activity, function, or event; or 4) en route to and from school.

Use of drugs authorized by a medical prescription from a registered physician shall not be considered a violation of this rule, but these must be kept in the nurse's office. The use of illicit drugs and the unlawful possession and use of alcohol is wrong and harmful. Compliance with these requirements is mandatory. See Jefferson City Schools' Policy JCDAC for more information.

It is requested that parents pay for the week's breakfasts and/or lunches each Monday morning – preferably by check. Payments for the month should be calculated on the number of school days. Payment for extra milk (\$0.40) may be included as well. Parents may write one check and meal money should be placed inside an envelope and given to Ms. Brenda Crane in the cafeteria.

Guidance/Counseling

A school counselor will be available to assist students, faculty, and parents before school and will be on campus during the morning hours. The counselor is able to provide information and guidance for educational and career planning, immediate and potential personal problems, and information concerning drug and alcohol rehabilitation and counseling.

Though students are welcome and urged to use the counselors' services, they must have written permission to go to the counseling office during the school day.

If the counselor is not available at the time the student has written permission to be in the counseling office, the student must sign the log indicating that he/she would like to be seen by the counselor as soon as possible.

Library Media Center

The JMS Library Media Center has a variety of resources available to students and faculty. There are thousands of books, which include a wide selection of fiction, non-fiction, and reference books. The general rules are as follows:

A complete listing of JMS clubs will be provided during the first few weeks of school. The meeting times for Jefferson Middle School Clubs will be before and after school.

SCHOOL CEREMONIES AND OBSERVANCES

Representatives of the student body will participate in video announcements each morning. This media vehicle provides individuals with the opportunity to engage in the pledge of allegiance to the flag as well as a moment of silence.

Pledge of Allegiance to the Flag – Policy IKD

Emergency Procedures

School-wide emergency plans are in place for inclement weather, fire, hazardous spills, and/or other situations which may call for building evacuation. Teachers are instructed in the procedures to follow in the event of a disaster or crisis situation. If evacuation becomes necessary, our first priority is the safety of the students. Thus, communication to parents may be limited.

Emergency Drills – Policy JGFA

Emergency drills are held once a month. Severe weather drills are conducted at least annually. Other emergency drills are conducted periodically during the year. Teachers instruct the students regarding appropriate procedures. These instructions are posted in each classroom.

Health Provisions – Policy JGC

A school clinic is available and staffed by a nurse as feasible. In case of an illness that is of routine nature, standard first-aid procedures are followed. A health information form must be completed by the parent or guardian during the registration process each year to notify the nurse and teacher(s) of health issues. It is vital that emergency contact names and numbers are up-to-date and on file in the school office (Policy JBC).

Solicitation by Students – Policy JKB

The Board recognizes that fundraising by student groups is necessary from time to time. The Board further recognizes that such activities promote knowledge of economics, common stewardship of funds, and interpersonal skills.

Please note: Students should not participate in door-to-door sales. Instead, parents should support students in selling to family members, friends, and colleagues. For more information please refer to Jefferson City Schools' Policy JKB.

Visitors – House Bill 161

Jefferson Middle School parents are always welcome at the school. Our only request is that all visitors sign in and out through the front office upon entry and exit as per House Bill 161. This bill provides that persons entering a school building between the hours of 7:30 a.m. and 3:30 p.m. who are not students or employees of the school must check in at the office and provide a reason for his/her presence in the building. Failure to check in and obtain a visitor's pass may result in a misdemeanor of a high and aggravated nature and charges being filed.

Students from other schools are not allowed to come to school for the purpose of visiting with our students.

Bus Conduct - Policy JCDAD

Students are under the control of the bus driver during the times they are being transported. Rules of conduct may be established by individual bus drivers. Any violation of these rules will subject the student to disciplinary measures by the appropriate school principal. (See additional information related to bus conduct in the behavior section of this handbook.)

Please note: Buses are equipped with video equipment to monitor the behavior of students on the bus. The student behavior code, included in the Code of Conduct section of this handbook, also applies to students as they ride on school buses. More specific rules state that students must stay in their seats; be respectful of others; keep head, arms, and any objects away from window openings; and refrain from eating or drinking. Large or cumbersome items, balloons, pets, glass objects, or any other items that could jeopardize safety will not be allowed on buses. Consequences for inappropriate bus behavior may include, but are not limited to, conferences with the student and/or parents/guardians, assigned seating, or suspension from bus for one or more days. Parents/guardians are sent copies of bus discipline referrals through the student.

It is the responsibility of the bus driver to deliver students to the designated address. Thereafter, it remains the responsibility of the parent(s)/guardian(s) to provide the necessary supervision upon student drop off.

Any changes in bus transportation must be accompanied by written parent permission. This notification must be signed by the principal before a student is allowed on a different bus.

The function of the school in relation to sudden illness and accidental injury is one of emergency handling of the situations. School personnel shall act promptly and intelligently in emergencies for the saving of life, the prevention of further injury, and the alleviation of

pain. As soon as possible, the parent/guardian of the injured child shall be notified. The Board is not responsible for subsequent treatment.

All injuries, accidents, etc. that take place at school or on school premises shall be reported to the principal or his/her designee as soon as possible. The circumstances surrounding an injury shall be reported by the teacher to the principal in writing as soon as possible following an accident where injury results.

Student Organizations-Policy JHC

In accordance with Georgia law, no person may haze any student in connection with, or as a condition or precondition of gaining acceptance, membership, office, or other status in a school organization. School organization means any club or other organization that has students as its principle members. "Haze" means to subject a student to an activity that endangers or is likely to endanger the physical health of a student, regardless of a student's willingness to participate in such activity.

Student Hearing Procedure – Policy JCEB

Disciplinary hearing officers are appointed by the Jefferson City Board of Education to hear disciplinary matters. The tribunal consists of two administrators and a teacher employed by the Jefferson City Board of Education. No member of the hearing tribunal will be a member of the staff at the school which the student attends.

The Superintendent will convene a hearing tribunal in the following cases:

- Where a student has committed an alleged assault or battery upon a teacher, other school official, or employee;
- Where a student has committed an alleged assault or battery upon another student, and the school principal determines that expulsion or long-term suspension may be the appropriate punishment;
- Where a student has intentionally caused substantial damage while on school premises to personal property belonging to a teacher, other school official, employee, or student, and the school principal determines that expulsion or long-term suspension may be the appropriate punishment; and
- Where a student has violated any school or system rule or engaged in any other act of misconduct or insubordination which the student's principal determines should be punished by long-term suspension or expulsion.

Prior to the hearing, a letter from the superintendent will be sent by certified mail to the student and his/her parent(s)/legal guardian(s). The letter will include the following:

- A statement of the time, place, and nature of the hearing;
- A description of the student's acts;
- The names of any witnesses who may be called to testify at the hearing, and
- A statement setting forth the right of the student to present evidence, cross-examine witnesses, and be represented by legal counsel.

The hearing tribunal will make a decision finding whether the student committed the offense and, if so, the appropriate punishment. The hearing tribunal will render a decision in writing within ten (10) days of the close of the record and will furnish a copy of the decision to the student, his/her parent(s)/legal guardian(s), the principal, and the Superintendent. The decision of the hearing tribunal is final and constitutes the decision of the Board of Education unless either party should appeal the decision to the Board of Education.

A student or a student's representative may appeal any decision by the disciplinary hearing officer by submitting a written notice of appeal to the superintendent within 20 days from the date the decision is made.

The Board of Education will review the record of the hearing before the hearing tribunal, the decision of the hearing tribunal, and the notice of appeal and will render its decision in writing within ten (10) days from the date it receives the notice of appeal. The decision of the Board of Education will be based solely on the record. The Board may find the facts to be different than those found by the hearing tribunal, and the Board may change the punishment. Any decision of the local Board may be appealed to the State Board of

Education by filing an appeal, in writing, within thirty (30) days after the local Board renders its decision.

Any student subject to a disciplinary hearing who withdraws from the Jefferson City School System prior to the hearing must appear before a Disciplinary Hearing Tribunal to determine the student's eligibility to return to the Jefferson City School System in the event the student ever seeks to return to the system. Alternatively, the school district may, at its discretion, proceed with the tribunal in accordance with Board policy despite the student's withdrawal from school.
