# Jefferson Future Stars Basketball Camp

## Goals of the Camp

Our goals are to teach each of the players the basic fundamentals of basketball and to give every player at the camp the chance to put these fundamentals into action in a game situation.

## What to Wear

Each player should wear basketball shoes, athletic socks, shorts, and t-shirts.

## Awards

Trophies or plaques for all contest winners in each age group will be given out on Friday.

## Additional Information

Coaches Bolling DuBose and Jason Gibson will conduct the basketball camps. Coaches will be assisted by present and/or past varsity players. The primary purpose of our camp is to help each player develop the basic fundamental skills that they must master in order to become an excellent player in the future. In order to reach this goal, we will spend time each day on all of the basic fundamentals associated with basketball. In addition, each player will be given the opportunity to take these fundamental skills and use them in game situations so that they can have a better understanding of why that skill is so important. All games and contests will be divided into age groups whenever possible to make the competition fair for everyone.

Finally, we hope that all of the young people who attend will have fun. The most important thing for all of the age groups is to learn to enjoy the sport in which they are participating. Any player who enjoys the game will continue to work hard and improve in the future.

If you have any questions, please contact the coaches at school or home: Coach DuBose at 706-255-1242 or Coach Gibson at 706-870-0578.
