Dear Parent/Guardian,

Jefferson Elementary students participating in the Title I, Part A program and their families agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State’s high standards.

**JOINTLY DEVELOPED**

Parents, students, and staff at Jefferson Elementary develop this School-Parent Compact for improving student achievement. Teachers, parents, students, and other staff members work together to identify strategies to use at home to help students improve their reading and mathematics skills. Meetings are held annually to review the compact and make changes based on student needs. Parents are welcome and encouraged to provide feedback at any time.

To understand how working together can benefit your child, it is first important to understand the district’s and school’s goals for student academic achievement.

**JEFFERSON ELEMENTARY SCHOOL GOALS:**

- **Goal 1** - Increase student engagement by providing authentic learning experiences that are academically challenging.
- **Goal 2** - Develop and implement strategies to improve attendance.
- **Goal 3** - Improve positive parent communication by increasing parent contacts through verbal and written formats.
To help your child meet the district and school goals, the school, you, and your child will work together to:

   Teachers can provide resources and homework for students to practice at home. Teachers can help parents answer any questions regarding skills taught during the school day. Teachers also send monthly, or weekly newsletters that keep parents informed about topics students are currently learning during the day. Finally, teachers have created a video to explain how to complete homework for every lesson throughout the year. These videos are found on our school website. You can sample a video here.
